First Conan game released for iPhone/iPad

Stockholm, 2011-08-19 21:49 CEST (GLOBE NEWSWIRE) -- Just in time for the theatrical release of Conan the Barbarian, in theaters today, Paradox Entertainment and Chillingo have released the first Conan game for iOS, "Conan: Tower of the Elephant," on the App Store. The game is available for iPhone, iPod Touch and iPad and priced at \$1.99.

The game sets players in the boots of the Cimmerian berserker as he crushes enemies, saves maidens and quests to unlock the deadly secret of the Tower of the Elephant. Based on the original short story by Conan creator Robert E. Howard, "Conan: Tower of the Elephant" perfectly captures the myth and mayhem of the greatest warrior to grace the page and screen.

The game was developed for Paradox Entertainment by Moyo Studios.
